- **ABOVE THE BELT** This 30-minute toning class uses a variety of equipment to focus on arms and abs.
- **BARRE** Barre uses elements of ballet, Pilates and yoga to help you achieve a “dancer’s body”—strong, sleek and streamlined. The exercises rely mainly upon one’s bodyweight for resistance, and the moves challenge your core stability and balance.
- **BARRE EXPRESS** This 45-minute Barre class will have you finished in time to get started with your busy day!
- **BODY SHAPING** This hour-long full-body toning class utilizes weights, resistance bands, stability balls, and more, to challenge your muscles while conditioning the entire body.
- **BOOT CAMP** This fun outdoor class will challenge your endurance, agility and strength.
- **FIT HIIT** Short-burst interval class containing cardio and weight training to get your heart pumping and sweat dripping! All fitness levels welcome.
- **IGNITE** This class is divided into three blocks of work (strength, cardio & hybrid) followed by a quick finisher. Leave feeling strong and energized, and ready to take on the week! Designed for all ages, and all fitness levels.
- **INDOOR CYCLING** Ultimate indoor cycling challenge designed to simulate a variety of terrain and training techniques guaranteed to get your heart pumpin’ and your legs churnin’! Enjoy the ride to great tunes.
- **KICKBOXING** Unleash your power in this high-energy class that combines martial arts with fast-paced cardio.
- **PILATES** Connect with your inner strength while improving posture and joint mobility. This class focuses on stabilization of the torso, recruiting abdominal muscles and transferring that energy to strengthen the limbs through a series of movements that will challenge you both physically and mentally
- **POWER STRETCH & BALANCE** This 30-minute class is a combination of yoga stretching and core work sure to improve your flexibility and balance.
- **SILVER SNEAKERS CIRCUIT** This class is designed to improve cardiovascular endurance while safely increasing intensity levels of upper body strength with non- and low-impact aerobic movements.
- **SILVER SNEAKERS CLASSIC** Silver Sneakers is a fun, energizing program that helps older adults take control of their health by encouraging physical activity.
- **SIMPLE STEP & STRENGTH** This one-hour class is your chance to learn all of the basic steps while giving you a great cardio workout! In between the routines, you’ll get in some strength intervals.
- **SPIN & SCULPT** 50% indoor cycling with 50% strength training—what more could you ask for?!
- **SPINTERVALS** This hour-long class of intervals of spin and strength training will fly by while giving you a full body workout.
- **SUPER STATIONS** You’ll never be bored in this class! Keep moving from different stations, while getting a total body workout through a variety of exercises.
- **YOGA** This class incorporates yoga postures, breathing exercises and a mind focus to improve balance, strength and flexibility.
- **YOGA FLOW** A fusion of many different styles of Yoga to strengthen, tone and stretch the body.
- **YOGA STRETCH** This is a seated, stretching and modified standing Yoga class that will gently increase range of movement. Emphasis will be on safely building muscle strength to improve balance and coordination to become steadier on your feet.
- **15-MINUTE ABS** Much more than crunches, this class uses a variety of equipment and the latest moves to tone up those core muscles.
